Set in the beautiful Amber Valley, just outside Chesterfield, Ashover Parish Hall Events Centre is a modern, multi-function, events centre that is designed to meet the requirements of the most discerning business and social user.

The Centre boasts three spacious function rooms of various sizes, a stage with professional lighting capabilities, fully-equipped kitchen, a staffed and licensed bar and a large free car park. We can also recommend local catering, entertainment and decoration firms who all provide an excellent service.

A registered charity, the centre first opened in the 1980s and has grown to be a popular venue for events such as weddings, concerts, family parties, conferences, training seminars and exercise classes. It is also regularly used by local clubs and societies.

The venue was awarded a grant from the Big Lottery Fund in 2003 which enabled the extension of the building, a complete refurbishment, and more recently, the installation of state-of-the-art audio visual and IT facilities.

The Amber Hall

Named after the nearby River Amber, the Amber Hall enjoys a beautiful view over the playing fields and surrounding countryside, making it a perfect venue for wedding receptions, concerts, conferences and parties.

The modern, spacious room has a 6-metre high vaulted ceiling, which gives a light and airy feel.

Double doors lead on to the outdoor patio area which overlooks the playing field. The patio can be used for an outdoor seating area, a BBQ or even a marquee.

The Hall boasts a full audio visual and lighting facility. Using some of the latest technology, it includes a super bright projector, a 3m wide screen and professional stage lighting equipment, which is perfect for concerts and theatrical performances. The room has a fully-integrated sound system which, along with the projector and lighting, can be operated from the stage or from our dedicated sound and lighting booth which overlooks the Amber Hall.

The Fabrick Room

The room is named after the large gritstone boulder on the hillside to the east of the village, known locally as the Fabrick.

It is the perfect room for children's parties, fitness classes, seminars and meetings.

Situated at the front of the building, enjoying hillside views, the Fabrick room is served by our fully-equipped kitchen and licensed bar. As with the rest of the building, free wifi broadband and admin services, such as photocopying and printing, are available upon request.
